**TIMBERLAKE® INTRODUCES NEW ADDITIONS TO ITS  
DECORATIVE HARDWARE COLLECTION**

*Knob and Pull Accessories Provide Homebuyers with New Upgrade Options*

**WINCHESTER, Va., (July 26, 2006)** – Timberlake Cabinet Company™, a leading supplier of cabinetry to the new construction market, continues to expand its already extensive line of decorative and functional accessories. The Timberlake® hardware expansion includes 40 new items that provide builders with a total of 70 knob and pull combinations that coordinate well with the brand's extensive selection of cabinetry styles and finishes. Each knob is available with a complimentary pull for easy coordination.

*Timberlake's New Decorative Hardware*

-more-

Timberlake's latest hardware expansion incorporates a wide assortment of dynamic new style choices, including Traditional, Old World, Arts & Crafts, American Farm House and Contemporary.

"Cabinetry hardware provides builders with design flexibility and upgrade potential," says Connie Edwards, CKD, CBD, Timberlake's director of design. "In the same way that homebuilders customize their cabinet styles and wood and finish combinations to personalize their models, homebuyers want design elements that they can use to emphasize their personal taste. Our hardware options coordinate well with any design style from traditional to contemporary and help builders increase their profits with new upgrades."

### **About Timberlake Cabinet Company**

Timberlake Cabinet Company is a division of American Woodmark Corporation, the third largest manufacturer of kitchen cabinets in the United States. Timberlake cabinets are sold directly to major homebuilders through a network of builder service centers and distributors. With more than 177 cabinet styles and a full array of coordinating moldings and accessories, Timberlake brand cabinets combine style and affordability. The Company manufactures *Portfolio*<sup>®</sup> and *Portfolio Select*<sup>®</sup>, Timberlake's premier lines that deliver a full range of styles and upgrade options that make customizing homes easy, and *Value-Built by Timberlake*<sup>®</sup>, a line that offers well-crafted, stylish cabinets for more affordable homes.

American Woodmark Corporation operates 15 manufacturing facilities in Arizona, Georgia, Indiana, Kentucky, Maryland, Minnesota, Oklahoma, Tennessee, Virginia and West Virginia, as well as various service centers across the country. American Woodmark shares are traded on the NASDAQ National Market under the symbol "AMWD."
