**TIMBERLAKE® ADDS TO ITS CUSTOMIZING PRODUCT LINE WITH
New Decorative Drawer Front FOR THE *Washington® Collection***

WINCHESTER, Va. – When it comes to their homes, homebuyers want style and value, with upscale products that complement their lifestyles. Timberlake® Cabinetry, a leading supplier of cabinetry to the new construction market, helps meet this demand by offering upgrade options and customizing accessories. The newest of these enhancements is a dramatic take off a classic Shaker look.

Timberlake now offers a new five-piece decorative drawer front for its Washington® collection, adding modern design to the traditional Shaker doorstyle. The new drawer front is available in Cherry Spice, Cherry Chocolate, Cherry Bordeaux, Maple Natural, Maple Honey, Maple Coffee, Maple Spice and Maple Mocha finishes.

“Timberlake’s new Washington decorative drawer front creates a personalized, modern look on a classic design. Detailed elements such as decorative drawer fronts are a distinguishing characteristic of higher-end cabinetry, available through Timberlake at a value price,” says Connie Edwards, CKD, CBD, and director of design for Timberlake.

The new Washington decorative drawer front is the latest addition to Timberlake’s product line, offering an array of customizing features that help builders provide premium options that cater to homebuyers’ personal styles. With more standard and upgrade features, Timberlake helps builders create a higher perceived value for homebuyers with a more stylish look at a competitive price.
