TIMBERLAKE CABINET COMPANY INTRODUCES
THE SCOTTSDALE COLLECTION

*Customizable Cabinetry Makes it Easy for Builders and Remodelers to
Increase Profits and Help Homebuyers Create Dream Homes*

LAS VEGAS, May 10, 2005 – Offering yet another option for builders and remodelers looking to maximize profit potential, Timberlake Cabinet Company, a leading supplier of cabinetry to the homebuilding and remodeling markets, introduces the traditional yet inspiring Scottsdale[®] Collection to its growing family of door styles.

Scottsdale features a standard overlay, raised panel design on Classic Arch and Square door styles. Available in Maple and Oak, the collection is loaded with custom features usually reserved for expensive semi-custom cabinetry and is part of Timberlake's *Portfolio* series.

Explains Connie Edwards, CKD, CBD, and director of design, Timberlake Cabinet Company: "With its comfortable and inviting design, sturdy construction and comprehensive list of upgrade options and accessories, Scottsdale enables builders to further differentiate themselves with a collection that is unique in design and also is of value to the homebuyer."

Scottsdale Maple is currently available in a clean-looking Natural, lush Honey or warm Spice finish and with Timberlake's new Coffee or Mocha premium finishes. Scottsdale Oak is offered with Timberlake's new Tawny finish, as well as its Natural and Honey finishes. With a complete line of customizing options and accessories such as glass front doors, Increased-and Reduced-Depth Cabinets, Matching Interiors and open display Void Door Cabinet, Scottsdale makes it easy for builders and remodelers to differentiate themselves by creating one-of-a-kind kitchens, baths or built-in storage facilities.

Timberlake Cabinet Company, a division of American Woodmark Corporation, the third largest manufacturer of kitchen cabinets in the United States and Canada, is the choice for America's building professionals. With more than 156 cabinet styles and a full array of coordinating moldings and accessories, Timberlake brand cabinets combine style and affordability with the best service platform in the industry. The Company manufactures *Portfolio* and *Portfolio Select*, Timberlake's leading lines that deliver a full range of styles and upgrade options to make homes easy and *Value-Built by Timberlake*, a line that offers well-crafted, stylish cabinets for more affordable homes.

Timberlake cabinets are sold directly to major homebuilders through a network of builder service centers and to remodelers through independent dealers and distributors. The company, celebrating its 25th anniversary this year, operates 15 manufacturing facilities in Arizona, Georgia, Indiana, Kentucky, Maryland, Minnesota, Oklahoma, Tennessee, Virginia and West Virginia, as well as various service centers across the country.
