**THE SOLANA™ COLLECTION FROM SHENANDOAH CABINETRY®**  
**MEETS HOMEOWNERS' EXPECTATIONS FOR MORE...**  
**MORE STYLE, MORE VALUE , MORE SIMPLICITY**

*New Wide-Style Flat Panel Cabinets Provide Homeowners with a Contemporary, Modern Look at an Affordable Price*

**WINCHESTER, Va. (Sept. 6, 2006)** – More is not always better in this day and age, but in the case of Shenandoah Cabinetry®, it is! Homeowners have come to expect more from Shenandoah cabinets, sold exclusively at Lowe's, with its trend-specific, quality new products and affordable prices. The Solana™ Collection, which launched in August 2006, is no exception as it meets consumers demand for simpler, cleaner lines and warm, rich tones.

The Solana Collection is inspired by the widely popular trends in contemporary styling. It is available in Spice, Bordeaux and Chocolate Glaze finishes on Cherry hardwood, and in Natural, Honey, Spice, Mocha Glaze and Coffee Glaze finishes on Maple hardwood.

The understated grace of the Solana Collection is heightened by the lines of the cascading door profile and the decorative three piece drawer front. This full overlay door style with extra-wide 3-inch frame and cascading top and bottom rails envelop a veneer flat panel for a distinctive and versatile choice. Additionally, the strong, simplistic lines of the collection emphasize the contemporary look of the square door and lends itself to many decorating themes, while the detail on the rails provides a place for glaze accent.

“Kitchen designs have moved towards cleaner and simpler lines over the past few years, morphing into a more modern style,” says Connie Edwards, CKD, CBD and director of design for Shenandoah. “The Solana Collection is doing just this; providing homeowners with an affordable, contemporary look, while still maintaining the warm and inviting feel that everyone seeks for their homes.”
